SIR,

I have the honour to invite your kind reference to Government Order No: L.6386-90/L.B.70-30-21 dated the 2nd February 1931, directing that the shandies of Somlapur and Hosur in the Channagiri Taluk be held in both the villages, that of Hosur on every Tuesday and of Somplapur on another suitable day of the week and to state as follows:

Somalapur is within 2 miles of the place from where, Hosur shandy is held. Since the time of the Government Order sanctioning the holding of a separate shandy in Somalapur, the relationship between the Somalapur people and Kerebilachi, a village, within a distance of 1 mile from Somalapur has become very strained, as the Hosur shandy was started about 50 or 60 years ago for the benefit of the cultivators of lands under the Sulekere, who mostly reside in Kerebilachi. As a consequence of this, there was rioting armed with dangerous weapons and the Police, on enquiry, have charge-sheeted about 52 persons ~~and the~~ of Somalapur village and the case is subjudice. Further, owing to the strained relationship, reports of thefts of cattle and assault are being reported frequently by villagers of both villages and people of one village are being way-laid and assaulted by the villagers of the other village, though most of them are related to one another by ties of marriage, and close relationship. During the Jamabandy of the Santhebennur Hobli

I inspected both the villages, and their shandies and advised both parties that they should not fight with one another on account of a shandy being granted. I agreed both parties to select 5 representatives for each village to meet me with a view to effect a compromise and restore all this mis-understanding. Accordingly, representatives of both villages met me, and agreed to my suggestion, to have only one shandy at a place common to both villages. I accordingly selected a spot on the border of the two villages by the side of the road for holding the shandy and the owners of the lands have readily consented to give the lands required in exchange for a kharab land in Survey Number 39 of Sulekere village. The land selected by me for the shandy is quite suitable from all points of view except that there is no shade at present. The parties have agreed to plant shady trees during the coming monsoon and are prepared to create water facilities also in the near future.

The land selected to be given, in exchange for the lands taken up for the shandy, is overgrown with thorny shrub, and harbours wild animals. It may cost a good deal to clear it and make it fit for cultivation. I value the land, in its present condition at the utmost ₹ 25/- an acre, while the land taken up to be given will cost at least ₹ 150/- an acre. As the owners are prepared to give up their lands to bring about peace, I see no objection to give them double the extent of land in exchange.

I, therefore, request that orders of Government may kindly be obtained to modify the above order and to direct that only one common shandy be held on every Tuesday in S.Nos: 78/1 and 26/2 in the interest and well-being of all the villagers.

On receipt of Government orders, I shall pass orders, sanctioning the grant of kharab lands to the owners of the above S.Nos: in S.No: 39 of Sulekere village.

I have also sent a copy of this reference and copies of Mutchalikas obtained, to the President of the District Board for

for information. I solicit very early orders on my recommendation in the interest of the peace of the villages as both parties are eager to have the shandy at a common place.

The Mutchalikas obtained from the representatives of the villages, and the darkhast applications of owners of S.Nos: 78/1 and 26/2 are herewith submitted in original for reference and return.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Shimoga District.
